

iSWM Implementation Subcommittee Meeting

April 24, 2019

www.iswm.nctcog.org

Staff Contact: Carolyn Horner

Regulatory Updates

Senate Bill 3303 – Water Quality Certification Improvement Act of 2018:

- *To amend the Federal Water Pollution Control Act to make changes with respect to water quality certification, and for other purposes.*
- Applies to: municipal wastewater and stormwater management compliance.
- Last action: Hearings held in the Committee on Environment and Public Works, 8/16/2018.
- **No new actions on this bill.**

Update: Halff Task Order #2

Provide additional detail and standards for proprietary devices

- Provide information on the specifications that should be considered for approval of a proprietary device and acceptable minimums that they should achieve
- Reference TAPE and TARP national standards
- Draft Discussion at April meeting – please see handout.

Stormwater Standard Details

- Went to the Standard Drawings Subcommittee for review and comment
- Please provide any comments to Halff for review, prior to going to the next Public Works Council Meeting for final review and recommendation

Miscellaneous Technical Assistance

- **Create a watershed based inventory of iSWM principals being utilized by communities in the NCTCOG region.** This item is in draft/table form, and is ready for a preliminary review.
- Ongoing technical assistance meetings with member communities. NCTCOG staff has attended, and will attend future meetings, on this topic, as the needs vary by community.

Halff Task Order #3 Discussion

- **Halff's Task Order 2 Ends April 2019**
- **Task Order #3 Starts May 2019**
 - Reorganize/Re-evaluate Site Development Controls
 - iSWM Designation Implementation Workshop
 - Technical Meeting of iSWM Adopters
 - iSWM Principals Regional Review
 - Update Technical Manual rainfall intensities
 - iSWM BMP Installation Videos
