TIP MODIFICATION DEADLINES AND SCHEDULE

[HTTP://WWW.NCTCOG.ORG/TRANS/TIP/MODIFICATION.ASP](http://www.nctcog.org/trans/tip/modification.asp)

Deadlines for Modification to the Dallas-Fort Worth TIP November 2014–August 2015

The following deadlines have been established for projects requiring modifications to either the Dallas-Fort Worth Area Transportation Improvement Program (TIP) or the Statewide TIP. Please note it takes approximately six months to receive approval for TIP actions that require a change to the Statewide TIP. If you anticipate TIP action on projects within your area, below are the deadlines that should be built into your project timelines. To ensure timely action, please coordinate with the TIP Team early in the process.

November 2014 Revisions

July 25, 2014	Project modification requests are due to the TIP Team
September 26, 2014	STTC action
October 19, 2014	RTC action
October 22, 2014	Project modifications are due to TxDOT
Late December 2014/ early January 2015	Anticipate final federal approval

February 2015 Revisions

October 24, 2014	Project modification requests are due to the TIP Team
December 5, 2014*	STTC action
January 8, 2015	RTC action
January 21, 2015	Project modifications are due to TxDOT
Late March 2015/ early April 2015	Anticipate final federal approval

*November and December STTC meetings are customarily combined and scheduled for this date

SUBMITTING A NEW PROJECT

MODIFICATION TYPE

The screenshot displays a web browser window with the URL <http://nctcog.org/TipMod/index>. The page title is "TIP Modification Submission System". The header includes the NCTCOG logo and the text "North Central Texas Council of Governments REVENUE AND PROJECT TRACKING SYSTEM". The user is logged in as "kbunkley@nctcog.org" with a "sign-off" link. The main content area prompts the user to "Please select the project type:" and lists three options:

- ☒ Roadway (All Funding Categories), Air Quality (All Funding Categories), or Transit (CMAQ and STP-MM funds only)
- ☐ Regional Programs, Planning Studies and Special Implementation Projects (Not Construction Projects)
- ☐ Transit Formula Funding Projects (Section 5307, 5309, 5310, 5311, 5316, or 5317)

There are "Next" buttons at the top right and bottom left of the selection area, and a "Contact Us" link at the bottom right.

The screenshot shows a web browser window with the URL <http://minterminaltest.nctcog.org/TipMod/Details>. The page title is "Basic Project Details". Below the title, there is a text box with the instruction: "Please provide details of the project location and scope below. Please SAVE your changes before clicking on Next or Previous".

The form contains several fields:

- District:** A dropdown menu with "DALLAS" selected.
- County:** A text input field with a small icon to its left. Below it, a note says "Hold the CTRL key to select multiple Counties".
- City:** A text input field with a small icon to its left. Below it, a note says "Hold the CTRL key to select multiple Cities".
- Implementing Agency:** A dropdown menu with "NCTCOG" selected.
- Facility:** A text input field with "14 char max" below it.
- Limit From:** A text input field with "120 char max" below it.
- Limit To:** A text input field with "120 char max" below it.
- Scope:** A text input field with "255 char max" below it.

A modal dialog titled "Counties" is open, showing a "County:" dropdown menu. The dialog has "Cancel" and "Add to List" buttons.

SELECTING COUNTIES (CONT.)

This screenshot is similar to the one above, showing the "Basic Project Details" form. The "County:" dropdown in the "Counties" modal dialog is now open, displaying a list of counties:

- ELLIS
- HOOD
- HUNT
- JOHNSON
- KAUFMAN
- PARKER
- ROCKWALL
- TARRANT
- WISE

The rest of the form and the browser window are identical to the previous screenshot.

MODIFICATION TYPE

The screenshot shows a web browser window with the URL <http://nctcog.org/TipMod/index>. The page header includes the NCTCOG logo and the text "REVENUE AND PROJECT TRACKING SYSTEM". The main content area is titled "TIP Modification Submission System" and asks the user to "Please select the project type:". There are three radio button options: "Roadway (All Funding Categories), Air Quality (All Funding Categories), or Transit (CMAQ and STP-MM funds only)", "Regional Programs, Planning Studies and Special Implementation Projects (Not Construction Projects)", and "Transit Formula Funding Projects (Section 5307, 5309, 5310, 5311, 5316, or 5317)". A "Next" button is located at the bottom right of the selection area. A "Contact Us" link is also visible at the bottom right of the page.

EDITING AN EXISTING REQUEST

The screenshot shows a web browser window with the URL <http://nctcog.org/TipMod/RoadWay?ViewOrExisting=0&ProjectType=1&M>. The page header includes the NCTCOG logo and the text "REVENUE AND PROJECT TRACKING SYSTEM". The main content area is titled "TIP Modification Submission System" and has a sub-header "Roadway Projects". It asks the user: "Would you like to start a new Project Modification Request or continue working on a Draft you have in progress?". There are two radio button options: "Start a New Project Modification Request" and "Edit a Request or View All Requests". A "Previous" button is located at the bottom left of the selection area. A "Next" button is located at the bottom right of the selection area. A "Contact Us" link is also visible at the bottom right of the page.

EXISTING REQUESTS

The screenshot shows the NCTCOG TIP Modification Submission System interface. The page title is "TIP Modification Submission System" with a "Previous" button. Below the title is the "Existing Requests" section. A search bar is present. The table displays a list of requests with columns: Select, Request Number, TIP Code, CSJ, Request Type, Name, Agency, Status, Date Submitted, Summary Report, and Delete. The table contains 15 rows of data.

DELETING/CANCELING AN EXISTING PROJECT

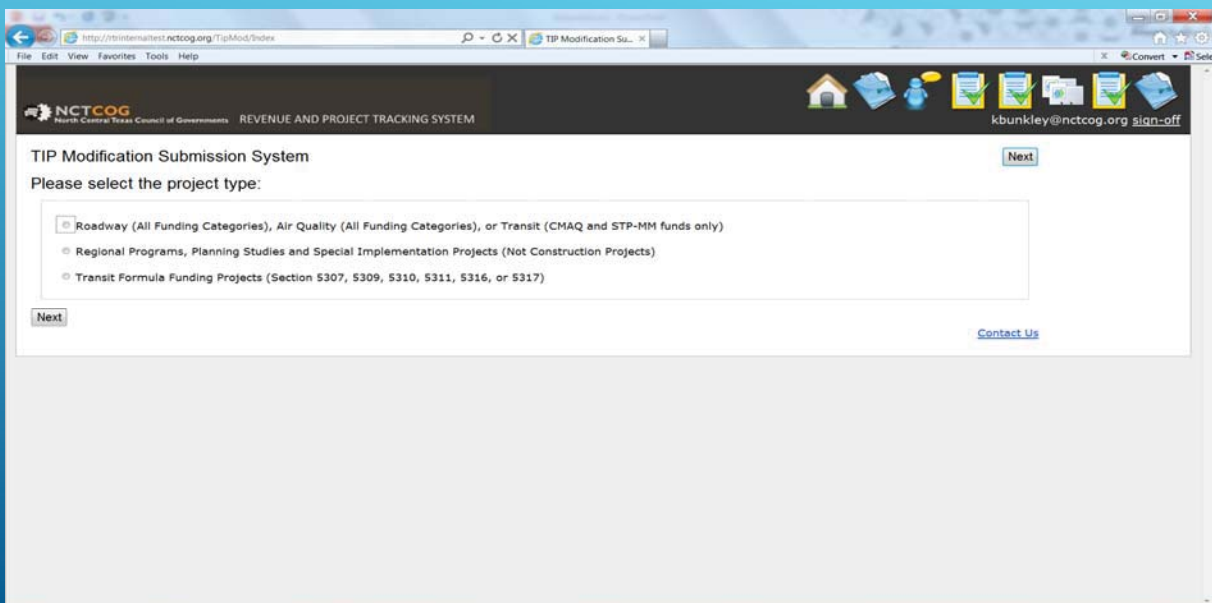

DELETING/CANCELING VS. CHANGING AN EXISTING PROJECT

- ▶ There is a distinction between truly deleting/canceling a project and revising a project to remove all of the current funding while keeping all previously obligated funding.
- ▶ Removing current funding while leaving previously obligated funds would be a request to Modify An Existing Project as described before.

DELETING/CANCELING A PROJECT (CONT.)

The screenshot shows the same NCTCOG Project Search interface as the previous one, but with a confirmation dialog box overlaid. The dialog box has a question mark icon and the text "Are you sure you want to delete this Project?". It has "OK" and "Cancel" buttons.
